

I grant The University of Texas Permian Basin (“Institution”) and my academic department (“Department”) the non-exclusive rights to copy, display, perform, distribute, and publish the content (“Work”) I submit to the FalconCommons institutional repository and to make the Work available in any format in perpetuity as part of an Institution or Department repository preservation effort.

I understand that once the Work is submitted, the associated metadata and the bibliographic citation of the Work will remain visible in perpetuity, even if the Work is updated or removed.

I understand that the Work’s copyright owner(s) will continue to own copyright outside these non-exclusive granted rights, pursuant to the [UT System Regents’ Rules and Regulations, General Rules for Intellectual Property, Rule 90101](#).

I warrant that:

I am the copyright owner of the Work,

OR

I am one of the copyright owners and have permission from other owners to submit the Work,

OR

My Institution or Department is the copyright owner and I have permission to submit the Work,

OR

Another party is the copyright owner and I have permission to submit the Work.

I further warrant, to my knowledge, that:

the Work does not infringe any copyright, patent, or trade secrets from any third party,

OR

the Work does not contain any libelous matter, nor invade the privacy of any person or third party,

AND

that no right in the Work has been sold, mortgaged, or otherwise disposed of, and is free from all exclusive claims.

My Submission will be maintained in an open access online digital environment via the FalconCommons repository. The Submission is intended for educational purposes only. Because materials on FalconCommons are openly available online to anyone with internet access, I do not hold The University of Texas Permian Basin responsible for third party use of my Submission.

I understand that I may request the removal of an individual work that I have contributed to FalconCommons for any reason, and that the J. Conrad Dunagan Library will remove my work on my request received in writing. Such removal will not alter other terms of this agreement.

Individuals making submissions to FalconCommons agree to waive any privacy rights granted by any law, policy, or regulation, for the purpose of making their work available on FalconCommons.

I agree to hold Institution, Department, and their agents harmless from any liability arising from any breach of the above warranties or any claim of intellectual property infringement arising from the exercise of these non-exclusive granted rights.
